Reasons and Considerations

In the assessment of this appeal, regard was had to the content of the Residential Zoned Land Tax – Guidelines for Planning Authorities (June 2022) which are considered to be a helpful complement to understanding the spirit and intent of the primary legislation. However, the recommendation is made within the clear parameters of the applicable legislation.

The lands identified as RZLT-000202 (Parcel ID number DCC000062958) located on Z1 Sustainable Residential Neighbourhoods zoned lands identified within the current Dublin City Development Plan are considered in scope of Section 653B(b) of the Taxes Consolidation Act 1997, as amended. The lands are located within an established urban area with services available, and no capacity or other reasons have been identified that would prevent the development of these lands in principle for residential purposes in accordance with the Z1 Sustainable Residential Neighbourhoods zoning objective that applies to these lands.
