Board Order
ABP-320777-24

Planning and Development Acts 2000 to 2022

Planning Authority: South Dublin County Council

Planning Register Reference Number: SD24B/0144

Appeal by D.P. McCarthy of 18 Finnsparck, Finnstown Cloisters, Lucan, County Dublin against the decision made on the 13th day of August, 2024 by South Dublin County Council to grant subject to conditions a permission to Miriam O'Neill care of E.M. Doyle and Associates of 22 Oakhill, Arklow, County Wicklow in accordance with plans and particulars lodged with the said Council.

Proposed Development: Extensions and alterations to family home. The extensions include rear extension at ground floor level to dining area measuring 2 square metres, the construction of a dormer window to existing attic conversion to rear of roof measuring 8.25 square metres and construction of a bay window extension to front of property measuring 6.3 square metres including ancillary works at 19 Finnsparck, Lucan, County Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the nature and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would be in accordance with the provisions of the South Dublin County Development Plan 2022-2028, including the house extension guide contained therein and that it would not adversely impact or detract from the visual and residential amenities of the area. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority 19th day of July 2024, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. All external finishes to the development permitted shall harmonise in colour or texture that is complementary to the house or its context.

Reason: In the interest of visual amenity.

3. The house and the extensions hereby permitted shall be jointly used as a single dwelling unit for residential purposes and shall not be sub-divided or used for any commercial purposes, and the extension shall not be sold, let (including short-term letting), leased or otherwise transferred or conveyed, by way of sale, letting or otherwise save as part of the single dwelling unit.

Reason: To prevent unauthorised development and in the interest of orderly development and residential amenities

4. Surface water drainage arrangements shall comply with the requirements of the planning authority for such services and works.

Reason: In the interest of public health.

5. Site development and building works shall be carried out only between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times will only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

6. The construction of the proposed development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of all intended construction practice for the proposed development, including noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interest of public safety and residential amenity.
