Planning and Development Acts 2000 to 2022

Planning Authority: Tipperary County Council

Planning Register Reference Number: 24163

Appeal by Peter Sweetman of PO Box 13611, Bantry, County Cork against the decision made on the 9th day of September, 2024 by Tipperary County Council to grant subject to conditions a permission to James O'Meara of Rockview, Puckane, Nenagh, County Tipperary in accordance with plans and particulars lodged with the said Council.

Proposed Development: An extension to existing roofed cubicle house consisting of cubicles for dairy cows, scraped concrete passages and slatted underground tanks, all of which will be roofed over along with all associated site works at Rockview, Puckane, Nenagh, County Tipperary.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the nature and scale of the proposed development within an established agricultural farmyard, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenity of the area, would be acceptable in terms of public health and environmental sustainability and would be supported by the relevant provisions of the Tipperary County Development Plan 2022-2028, including Strategic Objective SO-6 (to support a sustainable, diverse and resilient rural economy). The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The proposed development shall be designed, sited, constructed and operated in accordance with the requirements as outlined in the European Union (Good Agricultural Practice for Protection of Waters) (Amendment) Regulations, 2022, as amended. The applicant shall provide for the relevant (location dependent) storage requirements as outlined in schedule 3 of the aforementioned regulations. The removal of organic waste material and its spreading on land by the applicant or third parties shall be undertaken in accordance with the systems of regulatory control implemented by the competent authorities in relation to national regulations pursuant to Council Directive 91/676/EEC (the Nitrates Directive) concerning the protection of waters against pollution caused by nitrates from agricultural sources.

Reason: In the interest of environmental protection.

3. All oxidisable surfaces shall be painted in a colour to match the existing farm buildings on site, and it shall be maintained as such.

Reason: In the interest of visual amenity.

4. All uncontaminated roof water from buildings and clean yard water shall be separately collected and discharged in a sealed system to existing drains, watercourses or to appropriately sized soakaways. Uncontaminated waters shall not be allowed to discharge to soiled water and/or slurry tanks or to the public road.

Reason: In order to ensure that the capacity of soiled water tanks are reserved for their specific purposes.

5. The developer shall pay to the planning authority a financial contribution of in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Bord Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
