

## Commission Order ABP-322555-25

Planning and Development Act 2000, as amended

Planning Authority: Meath County Council

Planning Register Reference Number: 2460617.

**Appeal** by Barry Flattery care of Michael Halligan Planning Consultant of Seapoint House, Balbriggan, County Dublin against the decision made on the 22<sup>nd</sup> day of April, 2025 by Meath County Council to refuse permission for the proposed development.

**Proposed Development:** The development will consist of nine number residential units comprising of:

- (a) two number four-bed one and a half storey type dwellings fronting the main road.
- (b) six number four-bed two storey semi-detached dwellings,
- (c) one number four-bed detached two-storey dwelling at the rear of the site, and
- (d) new entrance and access roadway off N51 to include turning area and associated paths, landscaping and new boundary treatments.

The development also includes the construction of a surface water attenuation system, connection to the existing public foul sewer and mains water system together with all associated site works at Fosterfields, Kells Road, Athboy, County Meath.

## **Decision**

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

## **Reasons and Considerations**

Having regard to the 'A1 – Existing Residential' zoning objective of the site, the objective for which is 'to protect and enhance the amenity and character of existing residential communities', the information submitted by the applicant as part of the grounds of appeal in relation to surface water and storm water drainage arrangements, the planning policies, objectives and development standards of the Meath County Development Plan 2022-2027, the nature, scale and design of the proposed development relative to adjoining dwellings, and to the existing pattern of development in the wider area, it is considered that, subject to compliance with the conditions set out below, the proposed development would be an acceptable form of development at this location, would not seriously injure the amenities of adjoining properties, and would therefore, be in accordance with the proper planning and sustainable development of the area.

## **Conditions**

The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 28<sup>th</sup> day of March 2025, and the information submitted to the Commission on appeal on the 19<sup>th</sup> day of May 2025, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

 The developer shall submit a revised site layout for agreement, prior to commencement of development, showing the existing drainage gully being removed and two new gullies being provided, one on either side of the road.

Reason: In the interest of traffic safety and orderly development.

3. Details of the materials, colours and textures of all the external finishes to the proposed dwellings shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** In the interest of visual amenity and to ensure an appropriate high standard of development.

4. Notwithstanding the provisions of Article 10(4) of the Planning and Development Regulations, 2001, or any statutory provision modifying or replacing them, no room in the proposed houses shall be used for the purpose of providing overnight paying guest accommodation without a prior grant of planning permission.

**Reason:** In order to prevent overdevelopment of the site in the interest of residential amenity.

 Prior to the commencement of development, the developer shall enter into a connection agreement(s) with Uisce Éireann (Irish Water) to provide for a service connection(s) to the public water supply and/or wastewater collection network.

**Reason:** In the interest of public health and to ensure adequate water/ wastewater facilities.

6. The attenuation and disposal of surface water shall be in accordance with the information submitted with the appeal. The finalised detailed design shall be agreed with the planning authority for such works and services. Prior to the commencement of development, the developer shall submit details for the disposal of surface water from the site for the written agreement of the planning authority.

**Reason:** To prevent flooding and in the interest of sustainable drainage.

7. Site development and building works shall be carried out between the hours of 0700 to 1900 Mondays to Fridays inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays and public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written agreement has been received from the planning authority.

**Reason:** In order to safeguard the residential amenities of property in the vicinity.

8. All service cables associated with the proposed development (such as electrical, public lighting, telecommunications and communal television) shall be located underground. Ducting shall be provided by the developer to facilitate the provision of broadband infrastructure within the proposed development.

**Reason:** In the interests of visual and residential amenity.

9. Public lighting shall be provided in accordance with a scheme which shall be submitted to, and agreed in writing with, the planning authority prior to the commencement of development. The scheme shall include lighting along pedestrian routes and shall take account of proposed trees and hedges as per the Site Layout Plan. Such lighting shall be provided prior to the making available for occupation of any residential unit.

**Reason:** In the interest of amenity and public safety.

10. Subject to the requirements of condition number 6, the development hereby permitted shall be carried out and completed at least to the construction standards as set out in the planning authority's Taking In Charge Standards. In the absence of specific local standards, the standards as set out in the 'Recommendations for Site Development

Works for Housing Areas' issued by the Department of the Environment and Local Government in November 1998. Following completion, the development shall be maintained by the developer, in compliance with these standards, until taken in charge by the planning authority.

**Reason:** To ensure that the development is carried out and completed to an acceptable standard of construction.

11. Proposals for an estate/street name, house numbering scheme and associated signage shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. Thereafter, all estate and street signs, and house numbers, shall be provided in accordance with the agreed scheme. The proposed name(s) shall be based on local historical or topographical features, or other alternatives acceptable to the planning authority. No advertisements/marketing signage relating to the name(s) of the development shall be erected until the developer has obtained the planning authority's written agreement to the proposed name(s).

**Reason:** In the interest of urban legibility and to ensure the use of locally appropriate placenames for new residential areas.

12. The management and maintenance of the proposed development following its completion shall be the responsibility of a legally constituted management company, or by the local authority in the event of the development being taken in charge. Detailed proposals in this regard shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

**Reason:** To ensure the satisfactory completion and maintenance of this development.

13. Prior to commencement of development, the applicant or other person with an interest in the land to which the application relates shall enter into an agreement in writing with the planning authority in relation to the provision of housing on lands in accordance with the requirements of section 94(4) and section 96(2) and 96(3) (b), (Part V) of the Planning and Development Act 2000, as amended, unless an exemption certificate has been granted under section 97 of the Act, as amended. Where such an agreement cannot be reached between the parties, the matter in dispute (other than a matter to which section 96(7) applies) shall be referred by the planning authority or any other prospective party to the agreement, to An Bord Pleanála for determination.

**Reason:** To comply with the requirements of Part V of the Planning and Development Act 2000, as amended, and of the housing strategy in the development plan for the area.

- 14. (a) Prior to the commencement of the development as permitted, the applicant or any person with an interest in the land shall enter into an agreement with the planning authority (such agreement must specify the number and location of each house or duplex unit), pursuant to Section 47 of the Planning and Development Act 2000, that restricts all relevant residential units permitted, to first occupation by individual purchasers, that is, those not being a corporate entity, and/or by those eligible for the occupation of social and/or affordable housing, including cost rental housing.
  - (b) An agreement pursuant to Section 47 shall be applicable for the period of duration of the planning permission, except where after not less than two years from the date of completion of each specified housing unit, it is demonstrated to the satisfaction of the planning authority that it has not been possible to transact each of the residential units for use by individual purchasers and/or to those

eligible for the occupation of social and/or affordable housing, including cost rental housing.

(c) The determination of the planning authority as required in (b) shall be subject to receipt by the planning and housing authority of satisfactory documentary evidence from the applicant or any person with an interest in the land regarding the sales and marketing of the specified housing units, in which case the planning authority shall confirm in writing to the applicant or any person with an interest in the land that the Section 47 agreement has been terminated and that the requirement of this planning condition has been discharged in respect of each specified housing unit.

**Reason:** To restrict new housing development to use by persons of a particular class or description in order to ensure an adequate choice and supply of housing, including affordable housing, in the common good.

15. Prior to commencement of development, the developer shall lodge with the planning authority a cash deposit, a bond of an insurance company, or other security to secure the provision and satisfactory completion and maintenance until taken in charge by the local authority of roads, footpaths, watermains, drains, public open space and other services required in connection with the development, coupled with an agreement empowering the local authority to apply such security or part thereof to the satisfactory completion or maintenance of any part of the development. The form and amount of the security shall be as agreed between the planning authority and the developer or, in default of agreement, shall be referred to An Coimisiún Pleanála for determination.

**Reason:** To ensure the satisfactory completion and maintenance of the development until taken in charge.

16. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
