Planning Authority: Donegal County Council

Planning Register Reference Number: 2560785

Appeal by Franc Myles of Ardeelan Lower, Rossnowlagh, County Donegal against the decision made on the 26th day of June, 2025 by Donegal County Council to grant subject to conditions a permission to Colin Hyde care of J. Martin McLaughlin of Corlea, Ballyshannon, County Donegal in accordance with plans and particulars lodged with the said Council.

Proposed Development: Planning permission to raise the ridge level of an existing dwelling to provide new first floor domestic accommodation and all associated elevational changes at number 1, Golf View, Rossnowlagh, County Donegal.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the provisions of Donegal County Development Plan 2024-2030, the nature, scale and design of the proposed development and to the pattern of existing development in the area, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the visual amenities of the area or of property in the vicinity, would respect the existing visual character of the area and would not adversely impact on the adjoining cottage in the context of its inclusion on the National Inventory of Architectural Heritage. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application on the 15th day of May 2025, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. Details of the materials, colours and textures of all the external finishes to the proposed development shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity and to ensure an appropriate high standard of development.

3. Drainage arrangements, including the disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interests of public health and waste management.
