Commission Order

ACP-323451-25

Planning and Development Act 2000, as amended

Planning Authority: Dublin City Council

Planning Register Reference Number: WEB2320/25

Appeal by P.J. Robinson of 30 Goatstown Road, Dublin against the decision made on the 1st day of August, 2025 by Dublin City Council to grant subject to conditions a permission to Edwina Governey care of Crimmins Architects of The Courtyard, 40 Main Street, Blackrock, County Dublin in accordance with plans and particulars lodged with the said Council.

Proposed Development: Protected Structure: The development which is in the curtilage of a protected structure, will consist of the demolition of the existing dilapidated single-storey garage and the construction of a new three-storey mews dwelling with two car parking spaces involving alterations to the wall onto the lane including provision of pedestrian gate and moving and reducing the existing vehicular access and all associated site works at 14, Morehampton Lane, Donnybrook, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the land use zoning of the subject site, the provision of the Dublin City Development Plan 2022-2028, the design, scale and layout of the proposed development, and the pattern of development in the surrounding area, it is considered that, subject to compliance with the conditions set out below, the proposed development would provide for an appropriate form of development and would not adversely impact upon the built heritage of the area, and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The front and rear elevations of the proposed mews dwelling shall be clad in a similar material as that used on the proposed roof to the extent similar to that of the barrel roof properties at Number 32 Morehampton Lane. Compliance with these requirements shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interest of visual amenity

3. Prior to the commencement of development, the developer shall enter into a connection agreement(s) with Uisce Éireann (Irish Water) to provide for a service connection(s) to the public water supply and/or wastewater collection network.

Reason: In the interest of public health and to ensure adequate water/wastewater facilities.

4. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health and surface water management.

5. (a) A conservation expert with proven and appropriate expertise shall be employed to design, manage, monitor and implement the works and to ensure adequate protection of the retained and historic fabric during the works. In this regard, all permitted works shall be designed to cause minimum interference to the retained fabric and the curtilage of the Protected Structure.
- (b) The maximum extent of historic boundary wall to the front of the site (along the lane) shall be retained, and new openings made where required to facilitate the proposed development and all openings shall be made good in accordance with best conservation practice.

Reason: In order to protect the original fabric, character and integrity of the Protected Structure and to ensure that the proposed works are carried out in accordance with best conservation practice.

6. The green-blue flat roofed area over the single storey rear extension shall not be used or accessed as a terrace/balcony for recreational purposes whether or not it would be exempted development.

Reason: In the interest of residential amenity.

7. The naming and numbering of the dwelling unit shall be in accordance with a naming and numbering scheme submitted to, and agreed in writing, by the planning authority, prior to the occupation of the dwelling.

Reason: In the interest of orderly street numbering.

8. Site development and building works shall be carried out between the hours of 0700 to 1800 Mondays to Fridays inclusive, between 0800 to 1400 on Saturdays and not at all on Sundays and public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written agreement has been received from the planning authority.

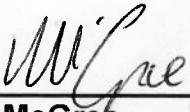

Reason: To safeguard the amenity of property in the vicinity.

9. The construction of the development shall be managed in accordance with a Construction Management Plan, which shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development. This plan shall provide details of intended construction practice for the development, including noise management measures and off-site disposal of construction/demolition waste.

Reason: In the interests of public safety and residential amenity.

10. The developer shall pay to the planning authority a financial contribution of in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. The application of any indexation required by this condition shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
