Commission Order
ACP-323585-25

Planning and Development Act 2000, as amended

Planning Authority: Dublin City Council

Planning Register Reference Number: WEB2445/25

Appeal by Ide Woods of 42 Nutley Park, Donnybrook, Dublin against the decision made on the 13th day of August, 2025 by Dublin City Council to grant subject to conditions a permission to Eleanor Chambers and Seamus Griffin care of MARA Architects of 51 Clontarf Road, Clontarf, Dublin in accordance with plans and particulars lodged with the said Council.

Proposed Development: Demolition of existing single storey extensions; construction of new single and two-storey extensions; attic conversion to habitable use with two number dormer windows to the rear; provision of rooflights, internal alterations and all associated site works at 44 Nutley Park, Donnybrook, Dublin.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the nature and scale of the proposed development, the established pattern of development in the area, and the provisions of the Dublin City Development Plan 2022-2028, it is considered that, subject to compliance with the conditions set out below, the proposed development would not give rise to significant overlooking of neighbouring dwellings, would not have a negative impact on the character of the area or the visual or residential amenities of property in the area, and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The proposed development shall be carried out and completed in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. External finishes shall be as indicated on the submitted drawings unless otherwise agreed with the planning authority.

Reason: In the interests of visual and residential amenities.

3. Screening to a height of 1.8 metres above the finished floor level of the proposed lower kitchen level shall be provided along the boundary with number 42 for the depth of the extension and patio steps, unless otherwise agreed with the planning authority. Details shall be submitted for the written of the planning authority prior to commencement of development on site.

Reason: In the interest of residential amenity.

4. The north facing window on the side of the first floor rear bedroom, facing number 46, shall be high level with a minimum floor to sill height of 1.8 metres. Revised drawings showing compliance with this requirement shall be submitted to, and agreed in writing with, the planning authority prior to commencement of development.

Reason: In the interests of avoiding overlooking of the adjoining property.

5. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays, inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the amenities of property in the vicinity.

5. Drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of surface water management and to prevent flooding.

7. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

Reason: It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
