Proposed Development: The development consists of the erection of 12 number dwellinghouses with access to public services and all other associated site development works at Amalfi Court, Lisnennan, County Donegal.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the residential zoning objective, the established pattern of development in the area, the policy framework provided by the Donegal County Development Plan 2024-2030 and the Letterkenny Plan 2023-2029, and to the nature and scale of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area or of property in the vicinity and would be acceptable in terms of traffic safety, surface water design and flooding. The proposed development would, therefore, be in accordance with the proper planning and sustainable development of the area.
