Commission Order
PL-500312-CC

Planning and Development Act 2000, as amended

Planning Authority: Cork City Council

Planning Register Reference Number: 25/43881

Appeal by James Glasgow against the decision made on the 29th day of October, 2025 by Cork City Council to grant subject to conditions a permission to Robert O'Driscoll in accordance with plans and particulars lodged with the said Council.

Proposed Development: Construction of a part two-storey, part single storey extension, along with the addition of a first-floor dormer window, all to the rear of an existing dwellinghouse, as well as a new obscure window to the side elevation and all associated site works, all at 11 Glashaboy Woods, Sallybrook, Glanmire, Cork.

Decision

GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.

Reasons and Considerations

Having regard to the provisions of the Cork City Development Plan 2022-2028, the location of the site in an established residential area, the residential zoning objective, and the nature, form, scale and design of the proposed development, it is considered that, subject to compliance with the conditions set out below, the proposed development would not seriously injure the residential or visual amenities of the area, and would, therefore, be in accordance with the proper planning and sustainable development of the area.

Conditions

1. The proposed development shall be carried out and completed in accordance with the plans and particulars lodged with the application, as amended by the further plans and particulars received by the planning authority on the 3rd day of October, 2025, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the proposed development shall be carried out and completed in accordance with the agreed particulars.

Reason: In the interest of clarity.

2. The flat roof to the ground floor extension hereby approved shall not at any time be used as a roof terrace/amenity area.

Reason: In the interest of residential amenity.

3. The glazing to all proposed bathroom and en-suite windows shall be manufactured opaque or frosted glass and shall be permanently maintained. The application of film to the surface of clear glass shall not be permitted.

Reason: In the interest of residential amenity.

4. Site development and building works shall be carried out only between the hours of 0700 to 1900 Mondays to Fridays, inclusive, between 0800 to 1400 hours on Saturdays and not at all on Sundays or public holidays. Deviation from these times shall only be allowed in exceptional circumstances where prior written approval has been received from the planning authority.

Reason: In order to safeguard the residential amenities of property in the vicinity.

5. Water supply and drainage arrangements, including the attenuation and disposal of surface water, shall comply with the requirements of the planning authority for such works and services.

Reason: In the interest of public health.
