**Commission Order**  
**PL-500804-KE-26**

---

**Planning and Development Act 2000, as amended**

**Planning Authority: Kildare County Council**

**Planning Register Reference Number: 25/61071**

**Appeal** by Stephen Reilly against the decision made on the 21<sup>st</sup> day of January, 2026 by Kildare County Council to refuse permission in accordance with plans and particulars lodged with the said Council.

**Proposed Development:** Retention permission for first floor rear extension as constructed and associated site works at 5 The Green, Newtown Hall, Maynooth, County Kildare.

## **Decision**

**GRANT permission for the above proposed development in accordance with the said plans and particulars based on the reasons and considerations under and subject to the conditions set out below.**

## Reasons and Considerations

Having regard to the sites' residential zoning objective, Objective HO O6 and the provisions of Section 15.4.12 regarding residential extensions as set out in the Kildare County Development Plan 2023-2029, and having regard to the existing pattern of development in the area and the nature and scale of the development proposed to be retained, it is considered that, subject to compliance with the conditions set out below, the development proposed to be retained would be acceptable and would not seriously injure the residential or visual amenities of the area. The development proposed to be retained would, therefore, be in accordance with the proper planning and sustainable development of the area.

## Conditions

1. The development shall be retained in accordance with the plans and particulars lodged with the application, except as may otherwise be required in order to comply with the following conditions. Where such conditions require details to be agreed with the planning authority, the developer shall agree such details in writing with the planning authority prior to commencement of development and the development shall be carried out and completed in accordance with the agreed particulars.

**Reason:** In the interest of clarity.

2. The existing dwelling and the extension to be retained shall be jointly occupied as a single residential unit and the extension shall not be sold, let or otherwise transferred or conveyed, save as part of the dwelling.

**Reason:** To restrict the use of the extension in the interest of residential amenity.

3. Drainage arrangements, including the disposal and attenuation of surface water, shall comply with the requirements of the planning authority for such works and services.

**Reason:** In the interest of public health and surface water management.

4. The developer shall pay to the planning authority a financial contribution in respect of public infrastructure and facilities benefiting development in the area of the planning authority that is provided or intended to be provided by or on behalf of the authority in accordance with the terms of the Development Contribution Scheme made under section 48 of the Planning and Development Act 2000, as amended. The contribution shall be paid prior to commencement of development or in such phased payments as the planning authority may facilitate and shall be subject to any applicable indexation provisions of the Scheme at the time of payment. Details of the application of the terms of the Scheme shall be agreed between the planning authority and the developer or, in default of such agreement, the matter shall be referred to An Coimisiún Pleanála to determine the proper application of the terms of the Scheme.

**Reason:** It is a requirement of the Planning and Development Act 2000, as amended, that a condition requiring a contribution in accordance with the Development Contribution Scheme made under section 48 of the Act be applied to the permission.
