Commission Order
PL-501457-CE

Planning and Development Act 2000, as amended

Planning Authority: Clare County Council

Planning Register Reference Number: 26/60153

APPEAL by FuturEnergy Ireland Limited against the decision made on the 6th day of May, 2026 by Clare County Council to refuse permission.

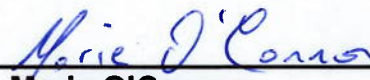

Proposed Development: Retention of an existing 80-metre-high lattice type meteorological mast and associated instruments, for a period of two years on lands at Glenmore Upper, Cloontra East, Knockshanvo, County Clare.

Decision

REFUSE permission for the above development for the reasons and considerations set out below.

Reasons and Considerations

Having regard to the location and the nature of the development proposed to be retained, and the Clare County Development Plan 2023-2029, specifically Objective CDP 11.19 to have regard to the advice of the Irish Aviation Authority, and now AirNav Ireland as the relevant body, with regard to the effects of any development proposals in the vicinity of Shannon International Airport on the safety of aircraft or the safe and efficient navigation thereof, the Commission was not satisfied that, on the basis of the information submitted in connection with the planning application and the appeal, the development proposed to be retained would not compromise the safety and safe and efficient navigations of aircraft, and would, therefore, be contrary to the proper planning and sustainable development of the area.

Marie O'Connor

**Planning Commissioner of An Coimisiún
Pleanála duly authorised to authenticate
the seal of the Commission.**

Dated this 24th day of September 2026.
