The development will form part of Vodafone Ireland Limited's existing GSM Network and provide for upgrade to improved 3G/4G Broadband Services.

DECISION

REFUSE leave to appeal under section 37 (6) of the Planning and Development Act, 2000, as amended, based on the reasons and considerations set out below.

MATTERS CONSIDERED

In making its decision, the Board had regard to those matters to which, by virtue of the Planning and Development Acts and Regulations made thereunder, it was required to have regard. Such matters included any submissions and observations received by it in accordance with statutory provisions.

REASONS AND CONSIDERATIONS

Having regard to the submission received in connection with the application for leave to appeal and to the documentation on file including details relating to development permitted under planning register reference number 10/452 on nearby lands, it is considered that it has not been shown that the development in respect of which a decision to grant permission has been made will differ materially from the development as set out in the application for permission by reason of conditions imposed by the planning authority to which the grant is subject.
