In relation to the payment of a contribution towards the costs of third parties, the Board considered that no particular circumstances arose in this case that would merit the payment of costs, except in relation to David Hughes. Mr Hughes participated at the joint oral hearing in respect of cases 07.VA0020 and PL07.245518, and it is considered that the discussion at the hearing of the particular matters raised by him, the expertise he brought, and the substantial supporting material that he presented, was of assistance to the Inspector and to the Board in coming to a determination. It was considered that €1,500 would constitute a reasonable contribution towards Mr Hughes' costs in attending the oral hearing.
