Date	Wednesday 19 th and Thursday 20 th January 2022
Start Time	10:00 am
Location	Virtually via Microsoft Teams

The purpose of the oral hearing is to provide an opportunity for all parties, who wish to do so, to make further submissions beyond their written objections, and to allow the Inspector to seek clarification on any relevant issues arising and objections made. Parties will also have the opportunity to ask questions or seek clarification on submissions made at the hearing.

There is no obligation on any party to make a submission to the oral hearing or to ask questions of the other parties. All written submissions already received will be considered by the inspector and the Board. For this reason, submissions previously made in writing should not be reiterated at the oral hearing.

In its submission to the hearing, the Local Authority is requested to address the following specific issues:

- Overview of the proposed development
- Description of works that would be facilitated by the CPO
- Benefits of the works that would be facilitated by the CPO
- Response to issues raised in objections to CPO.

You are reminded that the Board has no role or jurisdiction in the determination, or the assessment of compensation and that any submission made to this hearing should bear this in mind as no discussion regarding compensation will be facilitated.

On completion of the oral hearing, the inspector will prepare a report and recommendation on the case for the Board. The decision to confirm or annul the CPO will be made by the Board.

The Board may direct the payment of a contribution towards the costs to any person appearing at an oral hearing, which have been incurred by that person, as a consequence of appearing at the hearing. Any payment will be at the Board's discretion. Any application for costs should be made in writing to the Board within three weeks of the date of this hearing.

If you intend to provide written copies of your submission, then this should be submitted by hard copy and digital format to the Board at least 2 working days in advance of participation in the hearing (and will be retained on the case file after the oral hearing).

The agenda and order of appearance for the oral hearing is set out below, along with a timetable. Parties should please note that this timetable is indicative only, and may vary during the course of the oral hearing.
