Important Notes:

The purpose of the oral hearing is to provide an opportunity for all parties, who wish to do so, to make further submissions and to allow the Inspector to seek clarification on any relevant issues arising and objections made. Parties will also have an opportunity to ask questions or seek clarification on submissions made at the hearing. There is no obligation on any party to make a submission to the oral hearing or to ask questions of the other parties. All written submissions already received will be considered by the Inspector and the Board. For this reason, submissions previously made in writing need not be repeated at the oral hearing. If you repeat information at the oral hearing that is not necessary, the Inspector may stop you and ask that you move onto another topic. Any legal submissions must be part of the substantive submissions to the hearing.

All parties are requested to be mindful of the nature of this application and to ensure that presentations or questions are relevant to the nature of this CPO. You are reminded that the Board has no role or jurisdiction in the determination, or the assessment of compensation and that any submission made to this hearing should bear this in mind, as no discussion regarding compensation will be facilitated.

On completion of the oral hearing, the Inspector will prepare a report and recommendation on the case for the Board. The decision to confirm or annul the CPO will be made by the Board.

The Board may direct the payment of a contribution towards the costs to any person appearing at an oral hearing, which have been incurred by that person, as a consequence of appearing at the hearing. Any payment will be at the Board's discretion. Any application for costs should be made in writing to the Board within three weeks of the date of this hearing.

If you intend to provide a written copy of your submission or use visual aids when speaking (presentations, maps, photos, etc.), these should be submitted in a digital format to the Board at least 3 working days in advance of participation in the hearing (and will be retained on the case file after the oral hearing). The purpose of this is to facilitate the smooth running of the Oral Hearing, so the presentations can be uploaded in advance.

Submissions presented to this oral hearing will be recorded by a service provider organised by An Bord Pleanála. You are not permitted to record the proceedings of the oral hearing.

The agenda and order of appearance for the oral hearing is set out above, along with a timetable. Parties should please note that this timetable is indicative only and may vary during the course of the oral hearing.

A 'join meeting request' to this virtual event on Microsoft Teams will be issued by An Bord Pleanála prior to the oral hearing date. Help in taking part in an oral hearing remotely and an associated etiquette guide are available on our website at www.pleanala.ie.

A copy of the rules for participation on the oral hearing has been provided to all parties and are available on our website at www.pleanala.ie (link is provided at bottom of homepage). You must read and agree to abide by these rules in order to participate in the hearing.

Closing comments are only for briefly summarising and should not last longer than specified. No new points, issues or legal submissions can be raised in closing submissions.
