We will not refund fees if an appeal, application or observation is unsuccessful or withdrawn after having been accepted as valid.

## How are fees set?

Section 144 of the Planning and Development Act 2000, as amended, allows An Bord Pleanála to determine the fees for:

- appeals,
- applications,
- referrals,
- applications for leave to appeal,
- observations or submissions,
- requests for oral hearings,
- scoping requests, and
- other functions.

Similar powers allowing the Board to set fees exist in the Building Control and Water Pollution legislation. The Local Government (Water Pollution) Act 1977 does not allow An Bord Pleanála to determine the fees for appeals made under section 20. Fees for this type of appeal are determined by the Minister for Housing, Planning and Local Government.

The proposed fees from section 144 must be approved by the Minister for Housing, Planning and Local Government before they are introduced. If the fees are being adjusted in line with the Consumer Price Index and for no other reason, the revised fees do not have to be approved by the Minister. The Board reviews the fees by reference to the Consumer Price Index at least every three years and on other occasions when required.
