Terms of Reference

An Coimisiún Pleanála

Bi-Annual Planning Forum Meetings are:

- An opportunity to update key stakeholders at a strategic level on the work of An Coimisiún Pleanála (ACP) and the challenges we face, including information on caseload management and targets, caseload trends, legal matters and policy issues
- An opportunity to hear from stakeholders on key issues of concern and areas of strategic priority
- An opportunity to discuss the development of best practice to enable ACP to continuously improve its service
- No live cases before the Commission will be discussed

Terms

- Membership is reviewed annually
- Meetings will be held typically in March and October
- Invitations will be issued approximately 4 weeks in advance of the meeting, and a reminder will be issued within 1 week of the meeting date
- Due to limited space, a maximum of 2 delegates per organisation can be accommodated at the meeting, with 1 delegate nominated to speak
- A copy of the presentation slide deck will be issued after the meeting
- Meetings will be in-person only
    - It is considered that in-person meetings promote better two-way dialogue
    - The Commission reserves the right to facilitate hybrid meetings in extenuating circumstances
    - Questions/queries should be addressed to communications@pleanala.ie
    - It is expected that all participants will engage with dignity and respect.
- The Planning Forum meetings will be in addition to yearly sectoral meetings held with Prescribed Bodies, State Bodies, Business Groups, including the renewable energy sector, Environmental NGOs & Civil Societies and Political Representatives
