[By Hand]

**Re: Direction 1 by the Competent Authority, in relation to planning application F20A/0668 under Section 9(10) of the Aircraft Noise (Dublin Airport) Regulation Act 2019 to provide information and assessments for the purposes of an Assessment of the Noise Situation at the Airport.**

Dear Joe,

Further to our recent email correspondence dated 6th September 2021, where we provided an electronic copy of the requested *A11267\_19\_CA437\_2.0 Summary of Results Including Mitigation Excel Sheet*, we note that the previous 598 Pack submission on Friday 30<sup>th</sup> July 2021 included reference to '*A11267\_19\_CA437\_1.0 Summary of Results Including Mitigation, June 17, 2021 (population values)*'.

This 598 pack included the following:

- 598 Pack Contents Cover letter
- Non-Technical Summary
- Forecast Without New Measures & Additional Measures Assessment
- Cost Effectiveness Analysis

These documents have now been updated to remove this reference and instead reference '*A11267\_19\_CA437\_2.0 Summary of Results Including Mitigation Excel Sheet*'. Applicable cross-references have also been updated. For the avoidance of doubt we can confirm that no other changes to 598 Pack have been made.

TOWN PLANNING CONSULTANTS

An electronic copy of these documents are provided on the USB drive attached to this letter for your reference. 2 no. hard copies of the full 598 Pack have been submitted to the Planning Authority as part of the RFI submission on 13<sup>th</sup> September 2021.

Additionally, a full copy of the RFI submission, including a copy of the full '*Response to ANCA Direction 01*' report by AECOM is also included on the attached USB drive, with hard copies provided to the Planning Authority as part of the RFI submission. For the avoidance of doubt we can confirm that the '*Response to ANCA Direction 01*' report by AECOM does not contain any new material and combines all information previously provided to ANCA in response to ANCA's Direction 01.

Should you have any queries in relation to the above please feel free to contact the undersigned.

Yours sincerely

---
