Good Morning,

here my concerns as a resident of Robswall- Malahide.

Zero flights in Runway North 11pm & 7am

We all should be allowed 8h of sleep without interruption. Even 1 flight can disrupt the quality sleep the community needs to function. I have been awoken several nights with test flights and other flights operated in Runway North.

Noise impacts Robswall residents. Need grants.

Need to extended grants for quality windows/insulation for a much wider area than the one daa acknowledged. Robswall is impacted by noise coming from the new runway

Thank you
