CAUTION: This email originated from outside of Fingal County Council. Do not click on links or open attachments unless you are satisfied of the email's authenticity.

We would like to voice our objection to the planned night time cargo flights (65) as we will find ourselves subjected to continuous noise throughout the night disrupting sleep, not to mention the invisible air pollution and toxic fumes. Many of our neighbours and friends are also concerned and not at all happy about this planned increase.

Hoping this will not go ahead.

Yours sincerely  
John & Cathy Ryan  
Portmarnock Rise
