Dear Sir / Madam,

I have been asked by the Board to refer to the above mentioned appeal and, in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, (as amended), in which it was indicated that the Board intended to determine this appeal before 29th March 2023.

The Board hopes to receive the Inspector's report and recommendation on the appeal in the near future. Generally, as soon as the report and recommendation on the case has been received the appeal file is sent to the Board for formal consideration. Dear Sir / Madam,

I have been asked by the Board to refer to the above mentioned appeal and, in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, (as amended), in which it was indicated that the Board intended to determine this appeal before 29th March 2023.

I regret to inform you that, the Board will not now be in a position to determine the appeal before that date.

The Board hopes to receive the Inspector's report and recommendation on the appeal in the near future. Generally, as soon as the report and recommendation on the case has been received the appeal file is sent to the Board for formal consideration. Most cases are decided within a short period of their being formally considered for the first time at Board level.

The delay involved is regretted.

Dublin Airport, Co. Dublin

Dear Sir / Madam,

I have been asked by the Board to refer to the above mentioned appeal and, in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, (as amended), in which it was indicated that the Board intended to determine this appeal before 29th March 2023.

I regret to inform you that, the Board will not now be in a position to determine the appeal before that date.

The Board hopes to receive the Inspector's report and recommendation on the appeal in the near future. Generally, as soon as the report and recommendation on the case has been received the appeal file is sent to the Board for formal consideration. Most cases are decided within a short period of their being formally considered for the first time at Board level.

The delay involved is regretted.

Dear Sir / Madam,

I have been asked by the Board to refer to the above mentioned appeal and, in particular, to the Board's notice to you under section 126 of the Planning and Development Act 2000, (as amended), in which it was indicated that the Board intended to determine this appeal before 29th March 2023.

I regret to inform you that, the Board will not now be in a position to determine the appeal before that date.

The Board hopes to receive the Inspector's report and recommendation on the appeal in the near future. Generally, as soon as the report and recommendation on the case has been received the appeal file is sent to the Board for formal consideration. Most cases are decided within a short period of their being formally considered for the first time at Board level.

The delay involved is regretted.

Yours faithfully,

Garry Dorgan
