The Secretary

An Bord Pleanála

64 Marlborough Street

Dublin 1

An Bord Pleanála Ref: APB-314485-22

Fingal Co Council Ref: F20A/0668

Dear Sir/Madam

Are the DAA Board and Fingal Co Council Board willing to have a live audio feed of aircraft noise at Dublin Airport between 11pm – 7am in their homes/bedrooms for the foreseeable future?

Flights should be suspended between 11pm – 7am until An Bord Pleanála's decision is made.

There is a severe lack of consideration and respect from the DAA and Fingal Co Council to the residential communities in Swords, St Margarets, The Ward, Malahide, Portmarnock, Dublin 15 and the North City fringe.

Sleep deprivation is a health and safety risk causing mental and physical health problems. Research shows that sleep deprivation causes an increase in heart disease, stroke, compromised immune system and accidents. Local residents should have the ability to have 8 hours sleep nightly. Since 2019 aircraft noise

pollution has caused us sleep deprivation. We are located 4km from Runway North. The aircraft noise pollution includes jet and propeller engine start up, humming, whirring, taxiing to and from the runway, waiting for take off and landing, fire up of jet engine before take off, the blast of the engine taking off and reverberation. The rumble and reverberation of take off and landing is funnelled down Brackenstown Avenue into the Rathbeale Road (4km from Dublin Airport).

Sound proofing within the perimeter of Dublin Airport by the DAA should have been done prior to the starting use of Runway North. The DAA have 16 hours to use Runway North outside of the European Directive of 11pm – 7am. We ask An Bord Pleanala to send engineers to access the current nightly aircraft noise pollution from Runway North in different weather condition (wind and rain) over a period of time. We ask An Bord Pleanala to check flight logs since December 2019 to date from 11pm -7am. Sunday into Monday morning is especially bad. On the 26 December 2019 we could not hold a conversation in our home because the aircraft noise pollution was so loud. Triple glazing windows will not solve the aircraft noise pollution (not being able to open windows for ventilation).

Due to the above problems our house will be devalued if 11pm – 7am permission is granted to the DAA by An Bord Pleanala.

There is a significant difference in the “Quality of Life” before and after the use of Runway North. I cannot stress enough how much of a major nightly impact this is causing with disrupted sleep.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Patrick Hughes', written over a horizontal line.

Patrick Hughes
