Dear Fingal

I live in Kilsallaghan with my family and wish to lodge the following submission in relation to above.

I wish to object to the planning permission sought by Dublin airport.

Please find below the different grounds on which I strongly object to this planning permission.

I strongly object to this planning application by dublin airport on the following grounds:

1. Location of the development and its proximity to housing.
2. safety concerns
3. Sleep implications.
4. Hearing damage.
5. Environmental Impact – on local wildlife.
6. Already significant daytime activity of aircraft in this area.

Yours sincerely
Alan Lynch
