Dear Sirs,

I live in dread of the possibility that the DAA might be allowed to permit night flights (particularly with regard to the new runway) - between the hours of 11 PM and 7 AM. I am already a poor sleeper and I feel that the noise created by aeroplanes taking off and landing during those hours would be injurious to my health

Please ensure that the well being of Portmarnock residents, such as me, is taken into consideration in arriving at any final planning decision.

Brian McMahon
