Dear Sir/Madam

- I support the introduction of a Noise Abatement Objective at the airport.
- Also there should be no flights allowed on Dublin Airport's new north runway from midnight - 6 AM to keep noise levels down, e.g. I heard 6 planes flying nearby from 6am - 6.30am Tues 16th November - waking me up early most days. Planes are taking off westwards and flying overhead near house.

Yours Faithfully

Brenda Grissare
