Hi

My name is Liam Schweppe and I reside at [REDACTED] Carrickhill Walk, Portmarnock, [REDACTED]. I have been living at this address for 40 plus years and have enjoyed living here. Then a new runway was built with planning restrictions.

I understand the need for the new runway as flights from and into Dublin Airport had mushroomed before Covid but I cannot understand why the use of 2 runways are necessary after 23.00 local time when Runway 10-28 South can handle 40+ movements per hour.

Runway 10-28 was built with planning restrictions so why change the restrictions?

Please advise the reason or is there some reason you cannot comply with the planning restriction'

Kind regards  
Liam Schweppe
