Further to your Draft Report, I would also like to make following comments again:-

My Daughter has hearing issues and is in receipt of Disability Allowance from social welfare.

When we moved into our House over 20 years ago, no planes flew over residential areas

Since the advent of new runway at Dublin Airport, Planes now fly over our roof top and as a consequence:-

The family struggle to sleep
We suffer both Noise and Fumes pollution
We have to keep windows closed and cannot leave our daughter out to garden

Cannot Planes be re-routed over non residential areas
