Hi,

I would like to object to the night flights that are planned for the new runway.

I do not want to be woken during the night. I do not want my air quality to deteriorate.

Most airports in other countries are built away from residential areas. That is not the case with dublin airport.

I am a mother of two young babies living in malahide. We don't want more noisy planes ruining our sleep and quality of life.

Thank you
Fiona and ronan OBroin
