To whom it may concern,

Regarding DAA intent to change the conditions under which planning permission was granted for the new parallel runway so as to allow significantly more night time flights.

We wish to indicate our objection to these conditions being changed.

This has the potential to unreasonably impact the sleep of families and the wellbeing of the community and to negatively impact a growing population to the south of Portmarnock.

Please do not allow this change to occur.

Yours sincerely

Eileen & Michael Hanrahan
