Hi There,

I wish to strongly object to the proposed changes to the current PP regarding night flights in Dublin Airport. Although we live quite a distance from the airport we are currently regularly woken up very early by extremely noisy planes sometimes from 5 am. In fact a noisy small plane flies over our house at 5am every day waking us up. I can only imagine how bad it will be if pp conditions allow even more. Please remember the rest of us must work too so common sense must apply.

Regards,
Gerry
