Subject: Additional night flights in Dublin airport
Date: 23 February 2022 08:33:57

CAUTION: This email originated from outside of Fingal County Council. Do not click on links or open attachments unless you are satisfied of the email's authenticity.

To whom it may concern,

I would like to object to the proposal for additional night flights to and from Dublin airport on the grounds of both social and environmental factors. This is not in keeping with Ireland's commitments at COP26 and our social and environmental targets.

It will also have a detrimental impact on air quality and noise pollution at night for residents of the area, many of whom are young families in this particular area.

Kind regards
Emily Davies
