I wish to strongly object to the new proposal regarding night flights into Dublin airport.

I live in Portmarnock and currently I'm awoken every morning around 5.00am to the noise pollution of flights into Dublin airport and cannot go back to sleep.

I do not want any further flights coming into Dublin airport during the proposed times. The noise pollution sleepless nights leading to poor quality of life and sleep for my family neighbours and friends in the Portmarnock community.

Please. STOP this NIGHTMARE from going ahead

Regards
