Dear consultation team

We write as residents of Knocksedan Demesne, which is a residential development in close proximity to Dublin Airport.

We wish to object to the alteration to the planning conditions attached to the runway at Dublin Airport as previously determined by Fingal County Council.

It is simply unconscionable that the DAA can proceed at great pace to commence the runway before the planning permission in place has expired and then seek to alter it.

The safeguards put in place by Fingal County Council should remain in force, in order to safeguard residents such as ourselves.

Thank you for your attention to this matter.

Kind regards

Raymond & Dawn Burch
