Subject: Objection to proposed removal of night time flight restrictions at Dublin Airport
Date: 28 February 2022 11:31:17

I wish to object to the proposal to remove the restriction on flights to and from Dublin Airport between 23.00 and 07.00 hours.

Such flights should only be permitted in emergency circumstances.

The number of night time flights stipulated in the original planning permission is adequate.

There are numerous examples of night time prohibition on flights to and from international airports near major cities.

Yours sincerely,
Michael Quinn
