Hi,

I would like to lodge my very strong objection to the Dublin Airport Authority, in conjunction with Fingal County Council's major plans to increase the number of flights over Malahide, including Seapark & Portmarnock which are in breach of planning laws. Also as we live in Seapark & my husband has advanced Parkinsons & as I hope you can understand I am more than concerned about noise & air pollution & other impacts that may worsen his condition & yes am very interested to know that included in the Airport Authority plans are some 15 flight departures every morning that would cross over our area between 06.00 and 07.00am at certain times which I am more than concerned about. Hope you will consider my objection.

Sincerely

Mary Garry
