Hi

As someone who lives on edge of Fingal - [REDACTED] in Balgriffin and also, directly under the current flights to/from airport, I object in the strongest way to any flights from 11PM to 7AM.

I currently cannot keep my patio door open when I'm watching TV as if plane passes overhead I cannot hear the TV.

Current situation is intolerable and, at least we mostly get a break overnight, apart from a few planes.

Please note my objection

Tom Fingleton
