Dear Sir/Madam,

I wish to lodge my objection to the proposed operation of night flights between the hours of 11pm and 7am at Dublin Airport.

I am living in Kinsealy Woods and I already find it difficult to get my daughter down to sleep with noisy large aircraft during the day and night. There are already too many aircraft in the night sky. Even with the windows closed you can hear planes in the middle of the night. In summer I won't be able to leave windows open if there are more planes flying overhead. For noise and air pollution reasons the new runway should keep the original terms of the planning permission.

No night flights between 11pm and 7pm.

Kind regards
Marie Shortall
