To whom it may concern I live at the ward cross I'm very concerned about the extension and new run way at Dublin airport . There is conclusive proof of the health impact on people from noise pollution when I bought my property I did not sign up to days can you please tell me what measures you are taking to minimise the negative impact this will have on my families quality of life? I also have my son he's wife living on my property as I do my daughter and her family
