Dear Sir or Madam,

I refer to the public consultation regarding aircraft noise. I strongly object to any night flights between 11pm and 7am. I live in Portmarnock and am woken every night with aircraft, some of them wide bodied noisy aircraft flying over my house during the night in the early hours of the morning anytime from 3am onwards of long haul aircraft which are more noisy. This is not fair nor reasonable and I would kindly request that this practice of night flights stops.

Kind regards,

Ken Barn
