Hi,

I am a resident in The crescent, Saints Pormarnocks bay, Portmarnock, dublin 13.

Flights go right over my residence during the day and night.

I strongly **DISAGREE** to the idea of night flight between 11pm till 7am as this will create big disturbance in our night sleep and have impact on our overall physical and mental health.

So, please do needful and **DISAPPROVE** the plan of night flights flying in and out of the Dublin airport.

Best regards,
Kamal
