Dear Sir/Madam,

I wish to object to the possible changes to the present agreement regarding night time flights and noise abatement issues at Dublin Airport.

It appears that ANCA have changed the time that the DAA are permitted to resume their flights on the new runway to 05 59am and not 7am as previously agreed. This is completely unfair on the residents in Fingal on the flight path and surrounding areas of the Airport. Already the noise pollution resulting from some of the early morning flights is unpleasant but I fear that if DAA are allowed schedule flights from 6am , it will have a major adverse affect on the sleep and health of our children's health aswell as ours not to mention the 1000's of other residents living under this flight path.

The ANCA nighttime definition should be kept at 11pm to 7pm.

Regards,
Christine O' Dwyer, Kinsealy.
