Subject: Objection to night flights
Date: 27 February 2022 16:02:51

CAUTION: This email originated from outside of Fingal County Council. Do not click on links or open attachments unless you are satisfied of the email's authenticity.

Please take note of my objection to the relaxation of current restrictions on night flights into and out of Dublin airport. It is already noisy early in the morning, before 7.00 AM with incoming US flights. This is already breaching current restrictions, we do not need further noise and air pollution, predominantly for non-passenger traffic.

Thanks
Amanda
