Dear Sir/Madam,

Further to your correspondence to me on above case, We wish to make the following observation/submission. We as shocked to see the contours have been extended. We am resident of Portmarnock for 51 years and when we moved here there were no flights over Portmarnock now they are consent and are not adhering to the flight paths . They are turning left before they go out over the sea going right over our houses. The DAA at the moment are doing what the like with no consequents . We am finding this very upsetting and worrying if the get away with this where will it end. Having attended a meeting in Coolquoy Co Meath on the 21<sup>st</sup> March last we fully support the residents of Co Meath and hopefully you will support us all.

Regards

Mary and Jeffrey Breen

Dear Sir/Madam,

Further to your correspondence to me on above case I wish to make the following observations/submissions.

I am shocked to see the contours have been extended. I am a resident in Portmarnock for 51 years and when

I moved here there were no flights over Portmarnock but now the flight are consent, with no regard by the DAA

to keeping to planning permission I find this very upsetting and worrying if they get away with this where will it

end Having attended in Coolquay Lodge and fully support the residents of County Meath and hopefully get your support as well
