**Re: A proposal to take a 'relevant action' only within the meaning of Section 34C of the Planning and Development Act 2000, as amended, which relates to the night-time use of the runway system at Dublin Airport Co. Dublin**

Dear Sir/Madam,

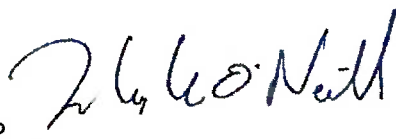

I refer to your correspondence dated 13<sup>th</sup> February 2024 and subsequent request dated 12<sup>th</sup> March 2024 relating to Further Information submitted on behalf of the DAA to ABP dated 4<sup>th</sup> March 2024.

Details submitted by the applicant in response to the request, including the background context narrative have been reviewed by Fingal County Council, (Planning Authority) without undertaking any detailed technical assessment or analysis thereof.

The absence of uninsulated dwellings within the eligibility contours is noted in response to the Bord request item C.

Reference in the submission to effective land use zoning measures is noted. Whilst recognising the use of different metrics, it is considered that contours now presented may not align with the spatial policy defined by Noise Zones A-D in the Fingal Development Plan 2023-2029. The Bord is respectfully requested to take account of this observation in its determination and potential wider implications for the operation of land use policy.

Yours faithfully,

PP
