Re: NOISE COMPLAINTS AT DUBLIN AIRPORT.

Dated: 02/04/24

Dear Ms Flynn,

We are writing to you to inform you that the Noise Complaint System at Dublin Airport is not fit for purpose.

Since the opening of the North Runway in August 2022, aircraft have been flying in the vicinity of our home which they were never planned to do and the environmental impacts of this unplanned flight path were never assessed or presented in the planning application which received permission in 2007.

Therefore every flight off the North Runway is a noise problem for our family. For us to use the complaints system we would have to spend all of our time between 7.00 am and 11.00 pm submitting these complaints. This is not practical.

I would therefore request that you log every flight off the North Runway as a complaint from us and we expect these complaints to be counted and acknowledged in the complaint system.

We have to live our lives under the stress of the aircraft noise and this is bad enough without having to spend all day using your system to log a complaint. It is just not possible.

Thank you for your understanding on this matter and trust you will include our noise complaints.

Yours Sincerely,

Gerard Coonagh

Eileen Coonagh
