Dear Patrick Buckley. We received your letter. We would like to make a further comment in relation to DAA further submission dated 4th March 2024. ABP in its 2007 planning permission conditioned and imposed limit of 65 night time flights. DAA barrister agreed to this at that time. DAA are encouraging airlines to use Dublin Airport by giving free parking if planes arrive after 11pm and to be gone by 7 am. DAA are already in breach of ABP 2007 conditions by exceeding 65 night time flights cap. We should be cutting pollution and Greenhouse Gas Emissions. We are asking ABP to reject this application and oblige DAA to comply with 2007 conditions.

Yours sincerely
