Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

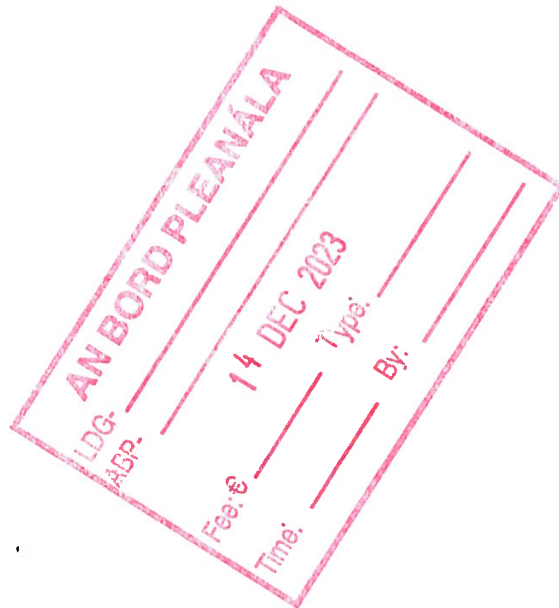

I live with my partner & 2 young children in The Ward (near Kilcassan National School). I am one of over 30,000 people who are now living under an illegal flight path since the opening of the North runway. The noise from the current flight path is intolerable. Our six year old son attends Kilcassan National school & our daughter goes to a local playschool. For our children there is no getting away from relentless noise, day or night! This is a major health risk to my children & tens of thousands of people due to the aircraft noise. The flight paths must be changed back to what was proposed in 2007. The flight paths in use bear no resemblance to what was approved in 2007 planning & we along with thousands of others have built our lives around that! No further changes can be considered until this critical issue is addressed first. An oral hearing is absolutely necessary given the gravity of the situation.

Regards, Ann M. Del
