Dear Secretary,

Please REFUSE PERMISSION to DAA Relevant Action because:
Are you aware that over 30,000 people, including myself, are living under an illegal flightpath since the opening of the North Runway. The flightpaths in 2007 planning permission are very different to the ones in use today, and since the North Runway opened.

The noise of planes flying over my house is DEAFENING. It is impossible to have conversation outside in the garden. It is also impossible while inside the house on many occasions. These flightpaths must be changed back to what was proposed in 2007. No further changes can be considered until this crucial issue is addressed. The DAA must revert to the original flightpaths. The planes are flying over our house and garden every 90 seconds.

An oral hearing is absolutely necessary given the serious nature of the situation and preservation of our health.

Kind regards,

Anne Stack
