## Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Please refuse permission to DAA relevant action because of previous failures of the DAA to abide to planning permission granted. The failure to abide by the current flight path has caused disruption to houses in the area.

Flight activity at night would cause further disruption to everyone's sleep in our household. The flight noise is clearly apparent already from early in the morning. It would cause great concern in planning a future in the area and having a young family if flight activity was occurring at night. The opening of the new run way has already seen a large volume of noise.

## Supporting materials

6. If you wish, you can include supporting materials with your observation.

Supporting materials include:

- photographs,
- plans,
- surveys,
- drawings,
- digital videos or DVDs,
- technical guidance, or
- other supporting materials.

## Fee

7. You **must** make sure that the correct fee is included with your observation. You can find out the correct fee to include in our Fees and Charges Guide on our website.
