Observation details

5. Please describe the grounds of your observation (planning reasons and arguments). You can type or write them in the space below or you can attach them separately.

Our quality of life has sharply deteriorated since the opening of the new North Runway on August ~~24th~~, 2022. The arbitrary and illegal decision by the DAA to radically change the original flight path without warning or consultation has left many people living in the greater Ashbourne area traumatised by the constant drone of low flying planes overhead.

On numerous occasions during the summer months, our gardens, once a haven of tranquility and enjoyment, have had to be abandoned.

Furthermore the confident assertion of a tone deaf CEO that the DAA plans to further increase flight numbers is causing acute anxiety in the area. This would not only result in living here almost insufferable but would dramatically increase levels of air pollution in a time of Climate Crisis.

Given the utmost seriousness of the situation, it is imperative that an oral hearing be granted.
